Measurements:

- Very Vanilla card stock: 11" x 4 ¼", 4 ¼" x 5 ½"
- Designer Series Paper: 4" x 5 ¼"

Instructions:

1. Fold Very Vanilla card stock in half to create card base.

5. Squeeze a drop of Whisper White Craft Ink Refill onto silicon craft mat. Add a few drops of water and splatter onto card with water painter. Let dry.
6. Stamp outline leaf images on front of card using Early Espresso ink pad. Glue leaf die cuts on top.

8. Make a ribbon bow and place onto card with mini glue dots.
9. Add speckled dot embellishments.

This card was made the same way as the first card, except the chalks were applied using Q-tips instead of cotton balls, no sponging around the edges and no water spritzing/crinkling. The sentiment is from the new stamp set "So Sincere" #162283, available September 6, 2023
