Measurements:

- Crumb Cake: 8 1/2" x 5 1/2"
- Real Red: 4" x 5 1/4"
- Basic White: 3 1/2" x 4 3/4", plus scrap piece

Instructions:

1. Fold 8 1/2" x 5 1/2" Crumb Cake card stock to create card base.
2. Glue Real Red card stock layer to front of card.

3. Stamp tree onto post-it note and cut to make a mask. Stamp tree outline onto Basic White card stock with Shaded Spruce ink pad. Place tree mask on top and stamp another tree. Stamp third tree. Repeat with the solid tree image. Use water painter to blend in the ink.
4. Tear scrap piece of paper to create a mask for snow/sky line and place on Basic White card stock. Place mask on tree and sponge Starry Sky ink around it with Blending Brush. Continue across to cover the top portion of the card to create sky.
5. Stamp snowflake image from "Forever Forest" set with Versamark across sky. Sprinkle with white embossing powder, shake off excess and set with heat tool.
6. Splatter a bit of water onto trees with water painter. Let dry.
7. Stamp beaver image from "Fluffiest Friends" set with Black Memento ink pad onto scrap piece of Basic White card stock and repeat for a total of two beavers.
8. Colour beavers with Stampin' Blends markers and cut with coordinating dies. Glue first beaver to card.
9. Use scissors to cut the second beaver's forepaws to 'hold' heart (next step). Place on top of the first beaver, slightly off-set, using Stampin' Dimensionals.
10. Cut small heart from scrap piece of Real Red cardstock using a die or punch. Emboss in clear and use a Stampin' Dimensional to place between the beaver's forepaws.
11. Stamp two hats with Real Red ink onto scrap piece of Basic White card stock and cut with scissors. Layer the two hats together with Stampin' Dimensional and glue to card.
12. Stamp the present images onto Designer Series Paper. Cut and place onto card with glue and/or stampin' dimensionals.
13. Add gems on top of each tree to finish card.
